PROFILE

I am a dedicated and enthusiastic student majoring in Information Systems, fully committed to enhancing technical skills and deepening my understanding of information systems. I have a strong interest in the field of information technology and system management. My goal is to build a successful career in the technology industry with a focus on developing and implementing innovative information technology solutions. I possess strong analytical abilities, logical thinking skills, and perseverance in problem-solving. I am also detail-oriented, communicative, and ready to contribute in a dynamic work environment.

EXPERIENCE

Training Microsoft Office

2021

- Optimizing the use of Microsoft Office applications such as Word, Excel, and PowerPoint.
- Utilizing Microsoft Word to compose reports, letters, and other documents with a professional layout.
- Microsoft PowerPoint: Proficient in creating engaging and professional presentations with appropriate layouts, designs, and animations. Capable of selecting and combining graphic elements, text, and media to enhance the visual appeal of presentations. Possessing knowledge of effective delivery techniques to convey messages clearly and influence the audience.
- Managing data and constructing tables in Microsoft Excel.

Training Graphic Design

2022-2023

- Operating Graphic Design applications such as Canva, Inkscape, and Gimp.
- In my Graphic Design elective course, I learned how to operate Adobe Illustrator, Ibis Paint, and Canva.
- In my Interactive Multimedia and 3D Modeling elective course, I learned how to operate Unity and Blender applications.

Training Computer Cloud

2022

- Wordpress training

Training Video Editing

2023

- Editing and assembling video scenes, trimming and enhancing clips, and organizing visual storytelling.
- Applying special effects, transitions, and color adjustments to enhance the visual quality and aesthetics of the video.
- Adjusting and optimizing audio, including volume adjustments, adding background music, and removing noise.
